

# GETTING IT RIGHT!

## A PRACTICAL WORKSHOP ENHANCING THE USE OF COGNITIVE ASSESSMENT TOOLS FOR THE ELDERLY

### DATE:

November 20th, 2017

### TIME:

11:30am-4:00pm

### LOCATION:

Hamilton General  
Hospital, HGH Board-  
room, 237 Barton  
Street E, Hamilton,  
ON L8L 2X2

### COST:

\$150.00

### REGISTRATION:

Register online at  
[www.rgpc.ca](http://www.rgpc.ca)

**ONLY 15 SPOTS**

**AVAILABLE!**

**LUNCH IS PROVIDED**

### OBJECTIVES:

**Upon completion of this workshop, participants will:**

- Understand when and why to use cognitive assessment tools
- Have insight into balancing the scientific and ethical considerations related to the use of clinical tools
- Be able to use cognitive assessment tools in a standardized and consistent manner

### TARGET AUDIENCE:

**Front line health care professionals working with the elderly who use cognitive assessment tools in their clinical practice including:**

- Physicians
- RNs, RPNs, APN
- OT, PT, SLP
- Social Work
- Others who use cognitive assessment tools in clinical practice

### THIS IS YOUR OPPORTUNITY TO:

- Engage with an expert geriatrician to learn more about cognitive assessment
- Participate in small group interactive learning

Cognitive Assessment Tools is an **elective credit** for the Geriatric Certificate Program. Go to [geriatriccp.ca](http://geriatriccp.ca) for more information on the benefits of registering.
