

GETTING IT RIGHT!

A PRACTICAL WORKSHOP ENHANCING THE USE OF COGNITIVE ASSESSMENT TOOLS FOR THE ELDERLY

DATE:

June 20th, 2019

TIME:

12:00pm - 4:00pm

LOCATION:

St. Peter's Hospital,
North Conference
RM, 88 Maplewood
Ave, Hamilton, ON

COST:

\$150.00

REGISTRATION:

Register online at
www.rgpc.ca

***LUNCH IS PROVIDED**

OBJECTIVES:

Upon completion of this workshop, participants will:

- Understand when and why to use cognitive assessment tools
- Have insight into balancing the scientific and ethical considerations related to the use of clinical tools
- Be able to use cognitive assessment tools in a standardized and consistent manner

TARGET AUDIENCE:

Front line health care professionals working with the elderly who use cognitive assessment tools in their clinical practice including:

- Physicians
- RNs, RPNs, APN
- OT, PT, SLP
- Social Work
- Others who use cognitive assessment tools in clinical practice

THIS IS YOUR OPPORTUNITY TO:

- Engage with an expert in the field to learn more about cognitive assessment
- Participate in small group interactive learning

Cognitive Assessment Tools is an **elective credit** for the Geriatric Certificate Program.
